

1.- Listen to the song and put the paragraphs into the correct order.

I won't get on my knees
Don't make me do that please
I've been away but now I'm back

I walked away from you
I hurt you through and through
Aw honey give me one more chance

Aw you're a lucky son
Lucky son of a gun
You went away, you went away
You went away but now you're back

I gave you all I had
I gave you good and bad
I gave but you just threw it back

I got down on my knees
And then I begged you please
I always knew you'd take me back

Don't be too sure of that
What makes you sure of that
You went away you can't come back
